

PROVEN EXPERIENCE WITH ALTERNATIVE DELIVERY

From Maine to Florida, VHB is a leader in delivering design-build (D-B) transportation projects. We've designed high-profile roadway, bridge, transit, and rail projects along the East Coast for more than 20 years, consistently delivering high-quality, innovative, and timely design and construction services. Since the Boston "Big Dig" in the 1990s, we've partnered with clients to deliver complex D-B projects, including seven first ever D-B projects for owners.
